# Studio Rules

- No student should enter any rooms besides their assigned practice rooms unless they have received prior permission from NLMA staff.
- Students may stay between lessons and classes but are expected to stay in JaDuke Cafe. Please note that this is a general unsupervised area, so please talk to your student about expected behavior in this space.
- Students should be respectful to peers, teachers, and others. We will communicate with the appropriate parties through email or phone if this becomes an issue.
- Parents and guardians should wait in the Cafe as this is the designated waiting area while students attend lessons unless otherwise discussed.
- JaDuke is a non-smoking educational property. Therefore, please do not smoke on the property.

JaDuke Cafe is a central hub for JaDuke Inc, allowing us to form connections with our families and community.

JaDuke Cafe is a place for parents and guardians to wait while students are in lessons.

For your pleasure and convenience, the JaDuke Cafe will sell delicious protein shakes, kids hydrating teas, adult energizing teas, a variety of coffees, and many snack bar items!

# NLMA - FAQ

I don't feel comfortable with one-on-one lessons. Can I join my child's lesson?

Yes! We do want to emphasize that all of our teachers are screened, and have had extensive background checks. They are all trained for personalized instruction. However, if you feel more comfortable being in the room, or right outside of the room with the door opened, please feel free to email us, and we will accomodate you!

My child or I have taken lessons for a while now. Why don't they/I sound as good as they/I want to?

For long lasting growth in musical technique, additionally to attending lessons, students need to practice outside of their lesson time. Every teacher is dedicated to their student's musical journey, and will assign "homework" to work on. If growth is not evident immediately, give it some time. It is hard to create new habits and implement them, however progress IS being made with every new lesson .

## Lesson Folders

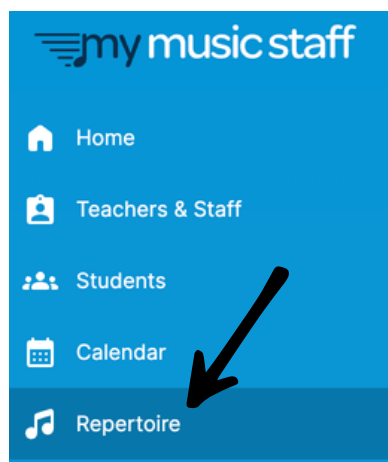

All students will recieve a Lesson Folder.

This folder will hold repertoire, important forms, and other crucial papers. These Folders will stay at NLMA for every lesson. Additionally, students will have access to a virtual folder with all important documents/repertoire that they can access on the NLMA Website.

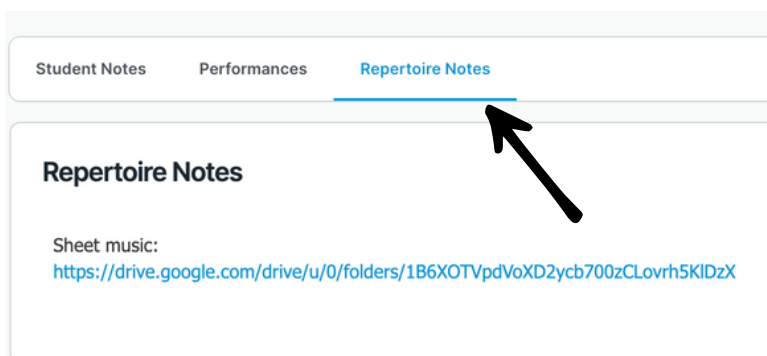

## Find Repertoire

Every student is given repertoire through the **my.music.staff** portal. To Find it, follow these steps!

**#1: Log in and go to "Repertoire" on the side bar**

**#2: Click "Repertoire Notes" to find sheet music and background tracks.**

# Cancellations and Holidays
