NLMA - FAQ

I don't feel comfortable with one-on-one lessons. Can I join my child's lesson?

Yes! We do want to emphasise that all of our teachers are screened, and have had extensive background checks. They are all trained for personalized instruction. However, if you feel more comfortable being in the room, or right outside of the room with the door opened, please feel free to email us, and we will accomodate you!

My child or I have taken lessons for a while now. Why don't they/I sound as good as they/I want to?

For long lasting growth in musical technique, additionally to attending lessons, students need to practice outside of their lesson time. Every teacher is dedicated to their student's musical journey, and will assign "homework" to work on. If growth is not evident immediately, give it some time. It is hard to create new habits and implement them, however progress IS being made with every new lesson .

Lesson Binders

All students will recieve a personalized Lesson Binder.

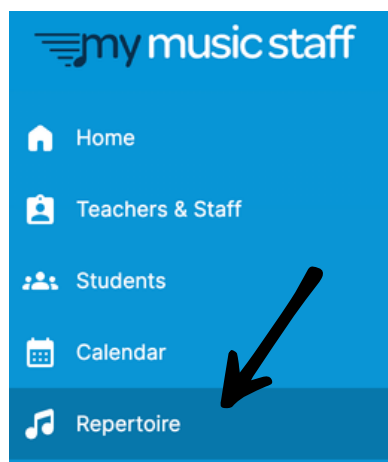

This binder will hold repertoire, important forms, and other crucial papers.

*Students are expected to bring their binders to and from every lesson.

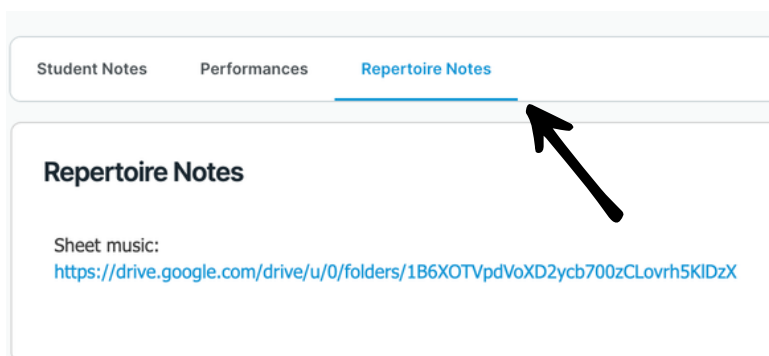

Find Repertoire

Every student is given repertoire through their my.music.staff portal. To Find it, follow these steps!

#1: Log in and go to "Repertoire" on the side bar

#2: Click "Repertoire Notes" to find sheet music and background tracks.

Cancellations and Holidays

Lessons may be canceled due to inclement weather.

Please check your email, text messages, or the NLMA social media pages for cancellations.
